

Conflict of Interest Policy

COMMUTAIR CARES

Article I

Purpose

The purpose of the conflict of interest policy is to protect CommutAir Cares (the “Corporation”) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Corporation, or might result in a possible excess benefit transaction. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflict of interest applicable to non-profit and charitable corporations.

Article II

Definitions

1. Interested Person Any director, principle officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an “Interested Person”.
2. Financial Interest An Interested Person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
 - a. An ownership or investment interest in any entity with which the Corporation has a transaction or financial arrangement;
 - b. A compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or financial arrangement; or
 - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or financial arrangement.
3. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III

Procedures

- 1.) Duty to Disclose In connection with any actual or possible conflict, an Interested Person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Directors and Members of committees with governing board delegated powers considering the proposed transaction or financial arrangement.
- 2.) Determining Whether a Conflict of Interest Exists After disclosure of the financial interest and all material facts, and after any discussion with the Interested Person, he/she shall leave

the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3.) Procedures for Addressing the Conflict of Interest

- a. An Interested Person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or financial arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or financial arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or financial arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested Directors whether it is fair and reasonable. In conformity with the above determination, the governing board shall make its decision as to whether to enter into the transaction or arrangement.

4.) Violations of Conflicts of Interest Policy

- a. If the governing board or committee has reasonable cause to believe a Member has failed to disclose actual or possible conflicts of interest, it shall inform the Member of the basis for such belief and afford the Member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the Member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an accrual or possible conflict of interest, it shall take the appropriate disciplinary and corrective action.

Article IV

Records of Proceedings

The minutes of the governing board and all committee with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, and any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V

- d) Understands the Corporation is charitable and in order to maintain its federal tax exemption status it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Article VII

Periodic Reviews

To ensure the Corporation operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews of its operations, finances, financial arrangements and other transactions shall be conducted. The reviews shall, at a minimum, include the following subjects:

- a) Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.

Article VIII

Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the Corporation may, but need not, use outside advisors. If experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.
